

Hi,

We are very excited to share with you our plans for a little surprise on Mother's Day. We know it's only the start of February but we are being super organised to help your child make a lovely gift. Celebrating Mothering Sunday and raising money for our school, it's feel good all around!

We would like to keep what we are making a secret (well attempt to anyway!) as we are sure lots of ladies will be reading this letter! However if you really want to know and you just can't wait please do email us at fosmclophill@gmail.com and we will let you know.

How it works....

This is for all children at school so from Acorn upwards.

We are asking for each child to contribute £4 to take part in this activity. We appreciate having more than one child at school makes this a little expensive so for 2 children it's £7 and if you have 3 children it's £10 (each child will make their own gift). But don't worry if you don't fancy giving all the gifts to mum they are perfect for grandparents or any other special ladies! If your child would like to make more than one gift this should be fine, please make this clear on your return slip below.

This gift will be made during school time, with the help of volunteers from Friends of St Mary's, the week we come back after half term.

To make sure we can order all the things we need for this activity we need to have your replies back by **Friday 12th February**, i.e. just before we break up for half term. This is really important and it is unlikely that we will be able to let your child/ren participate if we do not have your reply by then as we will not have enough resources.

Please could you return the below slip to the school office no later than Friday 12th February and enclose the correct payment. All cheques should be made payable to Friends of St Mary's School.

Your child will bring home their surprise on Friday 4th March.

Please do not hesitate to contact us via Facebook or fosmclophill@gmail.com if you have any questions.

Thank you for your continued support,

Friends of St Marys
