

## Equality Statement

At Clophill St. Mary's CofE Lower School we are committed to providing equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school. This is irrespective of race, gender, disability, faith or religion or socio-economic background. We will ensure a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life. We expect everyone who is part of, or who visits this school, to support this commitment through both their actions and words.
