1. Aims

The school aims to ensure that:

- Appropriate action is taken in a timely manner to safeguard and promote children's welfare
- All staff are aware of their statutory responsibilities with respect to safeguarding
- Staff are properly trained in recognising and reporting safeguarding issues

2. Legislation and statutory guidance

This policy is based on the Department for Education's statutory guidance, Keeping Children Safe in Education 2019 and Working Together to Safeguard Children 2018, and the [Governance Handbook](#). We comply with this guidance and the procedures set out by our local Safeguarding Partnership.

This policy is also based on the following legislation:

- Section 175 of the [Education Act 2002](#), which places a duty on schools and local authorities to safeguard and promote the welfare of pupils
- [The School Staffing \(England\) Regulations 2009](#), which set out what must be recorded on the single central record and the requirement for at least one person on a school interview/appointment panel to be trained in safer recruitment techniques
- [The Children Act 1989](#) (and [2004 amendment](#)), which provides a framework for the care and protection of children
- Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the [Serious Crime Act 2015](#), which places a statutory duty on teachers to report to the police where they discover that female genital mutilation (FGM) appears to have been carried out on a girl under 18
- [Statutory guidance on FGM](#), which sets out responsibilities with regards to safeguarding and supporting girls affected by FGM
- [The Rehabilitation of Offenders Act 1974](#), which outlines when people with criminal convictions can work with children
- Schedule 4 of the [Safeguarding Vulnerable Groups Act 2006](#), which defines what 'regulated activity' is in relation to children
- Statutory [guidance on the Prevent duty](#), which explains schools' duties under the Counter-Terrorism and Security Act 2015 with respect to protecting people from the risk of radicalisation and extremism
- The [Childcare \(Disqualification\) Regulations 2009](#) and [Childcare Act 2006](#), which set out who is disqualified from working with children

This policy also meets requirements relating to safeguarding and welfare in the [statutory framework for the Early Years Foundation Stage](#).

In our practice we will also refer to locally agreed inter-agency procedures that have been put in place by our local safeguarding partnership. This policy will be adapted, where necessary, to reflect local procedures.

3. Definitions

Safeguarding and promoting the welfare of children means:

- Protecting children from maltreatment
- Preventing impairment of children's health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best outcomes

Child protection is part of this definition and refers to activities undertaken to prevent children suffering, or being likely to suffer, significant harm.

Abuse is a form of maltreatment of a child, and may involve inflicting harm or failing to act to prevent harm. Appendix 1 explains the different types of abuse.

Neglect is a form of abuse and is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Appendix 1 defines neglect in more detail.

Children includes everyone under the age of 18.

4. Equality statement

Some children have an increased risk of abuse, and additional barriers can exist for some children with respect to recognising or disclosing it. We are committed to anti-discriminatory practice and recognise children's diverse circumstances. We ensure that all children have the same protection, regardless of any barriers they may face.

We give special consideration to children who:

- Have special educational needs or disabilities
- Are young carers
- May experience discrimination due to their race, ethnicity, religion, gender identification or sexuality
- Have English as an additional language
- Are known to be living in difficult situations – for example, temporary accommodation or where there are issues such as substance abuse or domestic violence
- Are at risk of FGM, sexual exploitation, forced marriage, or radicalisation
- Are asylum seekers

5. Roles and responsibilities

Safeguarding and child protection is **everyone's** responsibility. This policy applies to all staff, volunteers and governors in the school and is consistent with the procedures of Central Bedfordshire's Safeguarding Partnership. Our policy and procedures also apply to extended school and off-site activities.

5.1 All staff

All staff will read and understand part 1 and Annex A of the Department for Education's statutory safeguarding guidance, Keeping Children Safe in Education 2019, and review this guidance at least annually.

All staff will be aware of:

- Our systems which support safeguarding, including the staff Code of Conduct, the role of the designated safeguarding lead (DSL), the behaviour policy, and the safeguarding response to children who go missing from education
- The early help process (sometimes known as the common assessment framework) and their role in it, including identifying emerging problems, liaising with the DSL, and sharing information with other professionals to support early identification and assessment
- The process for making referrals to local authority children's social care and for statutory assessments that may follow a referral, including the role they might be expected to play
- What to do if they identify a safeguarding issue or a child tells them they are being abused or neglected, including specific issues such as FGM, and how to maintain an appropriate level of confidentiality while liaising with relevant professionals
- The signs of different types of abuse and neglect, as well as specific safeguarding issues, such as child sexual exploitation (CSE), FGM and radicalisation

Section 12 and appendix 4 of this policy outline in more detail how staff are supported to do this.

5.2 The designated safeguarding lead (DSL)

Our DSL is **Mrs. Pam Burraway, Deputy Headteacher**. The DSL takes lead responsibility for child protection and wider safeguarding.

When the DSL is absent, the **Deputy Designated Safeguarding Lead – Mrs. Karen Bingley, Headteacher** – will act as cover.

The DSL will be given the time, funding, training, resources and support to:

- Provide advice and support to other staff on child welfare and child protection matters
- Take part in strategy discussions and inter-agency meetings and/or support other staff to do so
- Contribute to the assessment of children
- Refer suspected cases, as appropriate, to the relevant body (local authority children's social care, Channel programme, Disclosure and Barring Service, and/or police), and support staff who make such referrals directly

The DSL will also keep the headteacher informed of any issues, and liaise with local authority case managers and designated officers for child protection concerns as appropriate.

The full responsibilities of the DSL are set out in their job description.

5.3 The governing board

The governing board will approve this policy at each review, and hold the headteacher to account for its implementation.

The governing board will appoint a senior board level (or equivalent) or, link governor to monitor the effectiveness of this policy in conjunction with the full governing board. This is always a different person from the DSL. **Our link safeguarding governor is Mrs. Emma Thoulass.**

The chair of governors will act as the 'case manager' in the event that an allegation of abuse is made against the headteacher, where appropriate (see appendix 3).

5.4 The headteacher

The headteacher is responsible for the implementation of this policy, including:

- Ensuring that staff (including temporary staff) and volunteers are informed of this policy as part of their induction
- Communicating this policy to parents when their child joins the school and via the school website
- Ensuring that the DSL has appropriate time, funding, training and resources, and that there is always adequate cover if the DSL is absent
- Ensuring that all staff undertake appropriate safeguarding and child protection training and update this regularly
- Acting as the 'case manager' in the event of an allegation of abuse made against another member of staff or volunteer, where appropriate (see appendix 3)
- Ensuring the relevant staffing ratios are met, where applicable
- Making sure each child in the Early Years Foundation Stage is assigned a key person

6. Confidentiality

Please refer to our separate Confidentiality Policy and Data Protection Policy.

It should also be noted that, in regards to safeguarding:

- Timely information sharing is essential to effective safeguarding
- Information must only be shared on a 'need-to-know' basis, but you do not need consent to share information if a child is suffering, or at risk of, serious harm
- Staff should never promise a child that they will not tell anyone about an allegation, as this may not be in the child's best interests
- Confidentiality is also addressed in this policy with respect to record-keeping in section 11, and allegations of abuse against staff in appendix 3

7. Recognising abuse and taking action

Staff, volunteers and governors must follow the procedures set out below in the event of a safeguarding issue.

7.1 If a child is in immediate danger

Make a referral to children's social care and/or the police **immediately** if a child is in immediate danger or at risk of harm. **Anyone can make a referral.**

Tell the DSL (see section 5.2) as soon as possible if you make a referral directly.

To make a referral to Central Bedfordshire Access and Referral Hub call: 0300 300 8585 (during office hours).

If you urgently need help outside office hours contact Social Care Emergency Duty Team: 0300 300 8123).

To make an immediate referral you can also call Bedfordshire Police on 101 or, in an emergency, 999.

To make an immediate referral you can also call the NSPCC (National Society for the Prevention of Cruelty to Children) on 0808 800 5000.

You can also follow this link to the GOV.UK webpage for reporting child abuse to your local council:

<https://www.gov.uk/report-child-abuse-to-local-council>

7.2 If a child makes a disclosure to you

If a child discloses a safeguarding issue to you, you should:

- Listen to and believe them. Allow them time to talk freely and do not ask leading questions
- Stay calm and do not show that you are shocked or upset

- Tell the child they have done the right thing in telling you. Do not tell them they should have told you sooner
- Explain what will happen next and that you will have to pass this information on. Do not promise to keep it a secret
- Write up your conversation as soon as possible in the child's own words. Stick to the facts, and do not put your own judgement on it
- Sign and date the write-up and pass it on to the DSL. Alternatively, if appropriate, make a referral to children's social care and/or the police directly (see 7.1), and tell the DSL as soon as possible that you have done so

7.3 If you discover that FGM has taken place or a pupil is at risk of FGM

The Department for Education's Keeping Children Safe in Education explains that FGM comprises "all procedures involving partial or total removal of the external female genitalia, or other injury to the female genital organs".

FGM is illegal in the UK and a form of child abuse with long-lasting, harmful consequences. It is also known as 'female genital cutting', 'circumcision' or 'initiation'.

Possible indicators that a pupil has already been subjected to FGM, and factors that suggest a pupil may be at risk, are set out in appendix 4.

Any teacher who discovers that an act of FGM appears to have been carried out on a **pupil under 18** must immediately report this to the police, personally. This is a statutory duty, and teachers will face disciplinary sanctions for failing to meet it.

The duty above does not apply in cases where a pupil is *at risk* of FGM or FGM is suspected but is not known to have been carried out. Staff should not examine pupils.

Any other member of staff who discovers that an act of FGM appears to have been carried out on a **pupil under 18** must speak to the DSL and follow our local safeguarding procedures.

Any member of staff who suspects a pupil is *at risk* of FGM or discovers that a **pupil age 18 or over** appears to have been a victim of FGM, must speak to the DSL and follow our local safeguarding procedures (see Section 7 Recognising Abuse and Taking Action).

7.4 If you have concerns about a child (as opposed to a child being in immediate danger)

Figure 1 illustrates the procedure to follow if you have concerns about a child's welfare and the child is not in immediate danger.

Where possible, speak to the DSL first to agree a course of action. Alternatively, make a referral to local authority children's social care directly (see 'Referral' below).

You can also contact the charity NSPCC on 0808 800 5000 if you need advice on the appropriate action.

Early help

If early help is appropriate, the DSL will support you in liaising with other agencies and setting up an inter-agency assessment as appropriate.

The DSL will keep the case under constant review and the school will consider a referral to local authority children's social care if the situation does not seem to be improving. Timelines of interventions will be monitored and reviewed.

Referral

If it is appropriate to refer the case to local authority children's social care or the police, the DSL will make the referral or support you to do so.

If you make a referral directly (see section 7.1), you must tell the DSL as soon as possible.

The local authority will make a decision within 1 working day of a referral about what course of action to take and will let the person who made the referral know the outcome. The DSL or person who made the referral must follow up with the local authority if this information is not made available, and ensure outcomes are properly recorded.

If the child's situation does not seem to be improving after the referral, the DSL or person who made the referral must contact the local authority and make sure the case is reconsidered to ensure the concerns have been addressed and the child's situation improves.

7.5 If you have concerns about extremism

If a child is not at immediate risk of harm, where possible, speak to the DSL first to agree a course of action. Alternatively, make a referral to local authority children's social care directly if appropriate (see 'Referral' above).

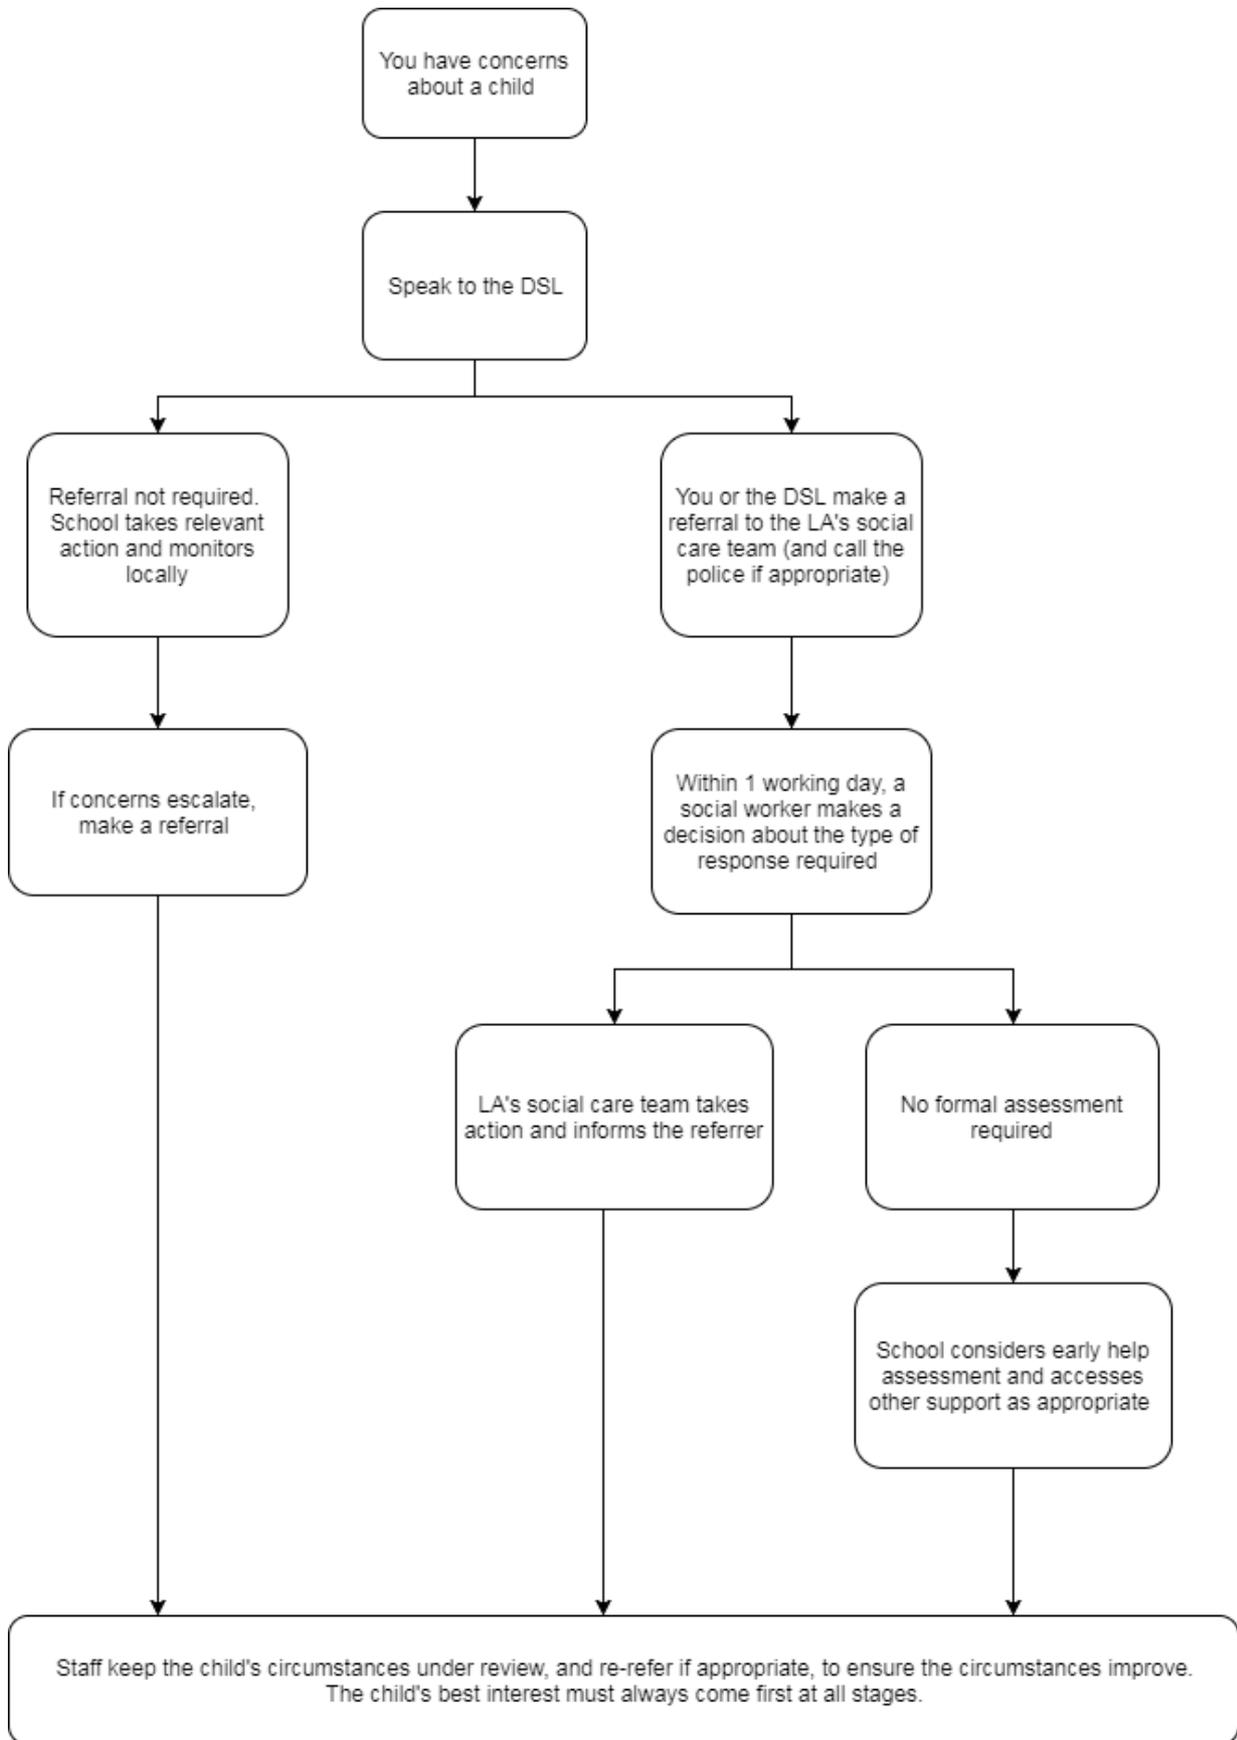

Where there is a concern, the DSL will consider the level of risk and decide which agency to make a referral to. This could include [Channel](#), the government's programme for identifying and supporting individuals at risk of being drawn into terrorism, or the local authority children's social care team.

The Department for Education also has a dedicated telephone helpline, 020 7340 7264, that school staff and governors can call to raise concerns about extremism with respect to a pupil. You can also email counter.extremism@education.gov.uk. Note that this is not for use in emergency situations.

In an emergency, call 999 or the confidential anti-terrorist hotline on 0800 789 321 if you:

- Think someone is in immediate danger
- Think someone may be planning to travel to join an extremist group
- See or hear something that may be terrorist-related

Figure 1: procedure if you have concerns about a child's welfare (no immediate danger)

7.6 Concerns about a staff member or volunteer

If you have concerns about a member of staff or volunteer, speak to the headteacher. If you have concerns about the headteacher, speak to the chair of governors.

You can also discuss any concerns about any staff member or volunteer with the DSL.

The headteacher/chair of governors/DSL will then follow the procedures set out in our **Statement of procedures for dealing with allegations of abuse against teachers, other staff and volunteers**.

7.7 Allegations of abuse made against other pupils/Peer-on-peer abuse

We recognise that children are capable of abusing their peers. We will follow the guidance in KCSIE 2019 regarding Peer-on-peer abuse found on pages 23-24. Abuse will never be tolerated or passed off as “banter” or “part of growing up”.

Most cases of pupils hurting other pupils will be dealt with under our school’s behaviour policy, but this child protection and safeguarding policy will apply to any allegations that raise safeguarding concerns. This might include where the alleged behaviour:

- Is serious, and potentially a criminal offence
- Could put pupils in the school at risk
- Is violent
- Involves pupils being forced to use drugs or alcohol
- Involves sexual exploitation or sexual abuse, such as indecent exposure, sexual assault, or sexually inappropriate pictures or videos (including sexting)

If a pupil makes an allegation of abuse against another pupil:

- You must tell the DSL and record the allegation, but do not investigate it
- The DSL will contact the local authority children’s social care team and follow its advice, as well as the police if the allegation involves a potential criminal offence
- The DSL will put a risk assessment and support plan into place for all children involved – both the victim(s) and the child(ren) against whom the allegation has been made – with a named person they can talk to if needed
- The DSL will contact the children and adolescent mental health services (CAMHS), if appropriate

We will minimise the risk of peer-on-peer abuse by:

- Challenging any form of derogatory or sexualised language or behaviour
- Being vigilant to issues that particularly affect different genders – for example, sexualised or aggressive touching or grabbing towards female pupils, and initiation or hazing type violence with respect to boys
- Ensuring our curriculum helps to educate pupils about appropriate behaviour and consent
- Ensuring pupils know they can talk to staff confidentially by reminding them regularly in class and during worship (assembly) time
- Ensuring staff are trained to understand that a pupil harming a peer could be a sign that the child is being abused themselves, and that this would fall under the scope of this policy

8. Notifying parents

Where appropriate, we will discuss any concerns about a child with the child’s parents. The DSL will normally do this in the event of a suspicion or disclosure.

Other staff will only talk to parents about any such concerns following consultation with the DSL.

If we believe that notifying the parents would increase the risk to the child, we will discuss this with the local authority children’s social care team before doing so.

In the case of allegations of abuse made against other children, we will normally notify the parents of all the children involved.

9. Mobile phones and cameras

Staff are allowed to bring their personal phones to school for their own use, but will limit such use to non-contact time when pupils are not present. Staff members’ personal phones will remain in their bags or cupboards during contact time with pupils.

Staff will not take pictures or recordings of pupils on their personal phones or cameras.

We will follow the General Data Protection Regulation and Data Protection Act 2018 when taking and storing photos and recordings for use in the school.

Use of Photography and Video Recording Policy

Internet and Email Acceptable Use Policy

Social Networking Policy

10. Complaints and concerns about school safeguarding practices

10.1 Complaints against staff

Complaints against staff that are likely to require a child protection investigation will be handled in accordance with our procedures for dealing with allegations of abuse made against staff (see appendix 3).

10.2 Other complaints

See our Complaints Policy.

10.3 Whistle-blowing

See our Confidential Reporting/Whistleblowing Policy (adopted from the Central Bedfordshire Council created document).

11. Record-keeping

We will hold records in line with our records retention schedule.

All safeguarding concerns, discussions, decisions made and the reasons for those decisions, must be recorded in writing. If you are in any doubt about whether to record something, discuss it with the DSL.

Non-confidential records will be easily accessible and available. Confidential information and records will be held securely and only available to those who have a right or professional need to see them.

Safeguarding records relating to individual children will be retained for a reasonable period of time after they have left the school.

Our safeguarding record-keeping arrangements are:

- Paper-based
- Held within the school building
- Secured in a locked cupboard
- We retain a copy of the safeguarding records until the child has reached their 25th birthday
- All records are confidential and only shared on a need to know basis
- A copy of the safeguarding records are passed to the next school
- Where necessary, safeguarding records are shared with other agencies and are always sent securely

In addition:

- Appendix 2 sets out our policy on record-keeping specifically with respect to recruitment and pre-employment checks
- Appendix 4 sets out our policy on record-keeping with respect to allegations of abuse made against staff

12. Training

12.1 All staff

All staff members will undertake safeguarding and child protection training at induction, including on whistle-blowing procedures, to ensure they understand the school's safeguarding systems and their responsibilities, and can identify signs of possible abuse or neglect. This training will be regularly updated and will be in line with advice from our local safeguarding children board.

All staff will have training on the government's anti-radicalisation strategy, Prevent, to enable them to identify children at risk of being drawn into terrorism and to challenge extremist ideas.

Staff will also receive regular safeguarding and child protection updates (for example, through emails, e-bulletins and staff meetings) as required, but at least annually.

Volunteers will receive appropriate training, if applicable.

12.2 The DSL and Deputy DSL

The DSL and Deputy DSL will undertake child protection and safeguarding training at least every 2 years.

In addition, they will update their knowledge and skills at regular intervals and at least annually (for example, through e-bulletins, meeting other DSLs, or taking time to read and digest safeguarding developments).

They will also undertake Prevent awareness training.

12.3 Governors

All governors receive training about safeguarding, to make sure they have the knowledge and information needed to perform their functions and understand their responsibilities.

12.4 Recruitment – interview/appointment panels

At least one person on any interview/appointment panel for a post at the school will have undertaken safer recruitment training. This will cover, as a minimum, the contents of the Department for Education's statutory guidance, Keeping Children Safe in Education, and be in line with local safeguarding procedures. For more information see our **Recruitment policy**.

12.5 Staff who have contact with pupils and families

All staff who have contact with children and families will have supervisions which will provide them with support, coaching and training, promote the interests of children and allow for confidential discussions of sensitive issues.

13. Monitoring arrangements

This policy will be reviewed **annually** by Mrs. Burraway, Designated Safeguarding Lead/Deputy Headteacher. At every review, it will be approved by the full governing board.

14. Links with other policies

This policy links to the following policies and procedures:

- Behaviour
- Code of Conduct
- Concerns, Complaints and Compliments
- Health and safety
- Attendance
- ESafety
- Sex and relationship education
- Administration of Medicines
- Curriculum
- Privacy notices
- Statement of procedures for dealing with allegations of abuse against teachers, other staff and volunteers
- As well as other policies mentioned previously and subsequently in this policy

These appendices are based on the Department for Education's statutory guidance, *Keeping Children Safe in Education*.

Appendix 1: types of abuse

Abuse, including neglect, and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases, multiple issues will overlap.

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Emotional abuse may involve:

- Conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person
- Not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate
- Age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction
- Seeing or hearing the ill-treatment of another
- Serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve:

- Physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing
- Non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet)

Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse.

Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- Protect a child from physical and emotional harm or danger
- Ensure adequate supervision (including the use of inadequate care-givers)
- Ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Appendix 2: specific safeguarding issues

Children missing from education

A child going missing from education is a potential indicator of abuse or neglect, and such children are at risk of being victims of harm, exploitation or radicalisation.

There are many circumstances where a child may become missing from education, but some children are particularly at risk. These include children who:

- Are at risk of harm or neglect
- Come from Gypsy, Roma, or Traveller families
- Come from the families of service personnel
- Go missing or run away from home or care
- Are supervised by the youth justice system
- Cease to attend a school
- Come from new migrant families

We will follow our procedures for unauthorised absence and for dealing with children who go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of going missing in future. This includes informing the local authority if a child leaves the school without a new school being named, and adhering to requirements with respect to sharing information with the local authority, when applicable, when removing a child's name from the admission register at non-standard transition points.

Staff will be trained in signs to look out for and the individual triggers to be aware of when considering the risks of potential safeguarding concerns which may be related to being missing, such as travelling to conflict zones, FGM and forced marriage.

If a staff member suspects that a child is suffering from harm or neglect, we will follow local child protection procedures, including with respect to making reasonable enquiries. We will make an immediate referral to the local authority children's social care team, and the police, if the child is in immediate danger or at risk of harm.

Child sexual exploitation

Child sexual exploitation (CSE) is a form of sexual abuse where children are sexually exploited for money, power or status.

This can involve violent, humiliating and degrading sexual assaults, but does not always involve physical contact and can happen online. For example, young people may be persuaded or forced to share sexually explicit images of themselves, have sexual conversations by text, or take part in sexual activities using a webcam.

Children or young people who are being sexually exploited may not understand that they are being abused. They often trust their abuser and may be tricked into believing they are in a loving, consensual relationship.

If a member of staff suspects CSE, they will discuss this with the DSL. The DSL will trigger the local safeguarding procedures, including a referral to the local authority's children's social care team and the police, if appropriate.

Indicators of sexual exploitation can include a child:

- Appearing with unexplained gifts or new possessions
- Associating with other young people involved in exploitation
- Having older boyfriends or girlfriends
- Suffering from sexually transmitted infections or becoming pregnant
- Displaying inappropriate sexualised behaviour
- Suffering from changes in emotional wellbeing
- Misusing drugs and/or alcohol
- Going missing for periods of time, or regularly coming home late
- Regularly missing school or education, or not taking part in education

FGM

The DSL will make sure that staff have access to appropriate training to equip them to be alert to children affected by FGM or at risk of FGM.

Section 7.3 of this policy sets out the procedures to be followed if a staff member discovers that an act of FGM appears to have been carried out or suspects that a pupil is at risk of FGM.

Indicators that FGM has already occurred include:

- A pupil confiding in a professional that FGM has taken place
- A mother/family member disclosing that FGM has been carried out
- A family/pupil already being known to social services in relation to other safeguarding issues
- A girl:
 - Having difficulty walking, sitting or standing, or looking uncomfortable
 - Finding it hard to sit still for long periods of time (where this was not a problem previously)
 - Spending longer than normal in the bathroom or toilet due to difficulties urinating
 - Having frequent urinary, menstrual or stomach problems
 - Avoiding physical exercise or missing PE
 - Being repeatedly absent from school, or absent for a prolonged period
 - Demonstrating increased emotional and psychological needs – for example, withdrawal or depression, or significant change in behaviour
 - Being reluctant to undergo any medical examinations
 - Asking for help, but not being explicit about the problem
 - Talking about pain or discomfort between her legs

Potential signs that a pupil may be at risk of FGM include:

- The girl's family having a history of practising FGM (this is the biggest risk factor to consider)
- FGM being known to be practised in the girl's community or country of origin
- A parent or family member expressing concern that FGM may be carried out
- A family not engaging with professionals (health, education or other) or already being known to social care in relation to other safeguarding issues
- A girl:
 - Having a mother, older sibling or cousin who has undergone FGM
 - Having limited level of integration within UK society
 - Confiding to a professional that she is to have a "special procedure" or to attend a special occasion to "become a woman"
 - Talking about a long holiday to her country of origin or another country where the practice is prevalent, or parents stating that they or a relative will take the girl out of the country for a prolonged period
 - Requesting help from a teacher or another adult because she is aware or suspects that she is at immediate risk of FGM
 - Talking about FGM in conversation – for example, a girl may tell other children about it (although it is important to take into account the context of the discussion)
 - Being unexpectedly absent from school
 - Having sections missing from her 'red book' (child health record) and/or attending a travel clinic or equivalent for vaccinations/anti-malarial medication

The above indicators and risk factors are not intended to be exhaustive.

Forced marriage

Forcing a person into marriage is a crime. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats, or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological.

Staff will receive training around forced marriage and the presenting symptoms. We are aware of the 'one chance' rule, i.e. we may only have one chance to speak to the potential victim and only one chance to save them.

If a member of staff suspects that a pupil is being forced into marriage, they will speak to the pupil about their concerns in a secure and private place. They will then report this to the DSL.

The DSL will:

- Speak to the pupil about the concerns in a secure and private place
- Activate the local safeguarding procedures and refer the case to the local authority's designated officer
- Seek advice from the Forced Marriage Unit on 020 7008 0151 or fm@fco.gov.uk
- Refer the pupil to an education welfare officer, pastoral tutor, learning mentor, or school counsellor, as appropriate

Preventing radicalisation

Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. Extremism is vocal or active opposition to fundamental British values, such as democracy, the rule of law, individual liberty, and mutual respect and tolerance of different faiths and beliefs.

Schools have a duty to prevent children from being drawn into terrorism. The DSL will undertake Prevent awareness training and make sure that staff have access to appropriate training to equip them to identify children at risk.

We will assess the risk of children in our school being drawn into terrorism. This assessment will be based on an understanding of the potential risk in our local area, in collaboration with our local safeguarding children board and local police force.

We will ensure that suitable internet filtering is in place, and equip our pupils to stay safe online at school and at home.

There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. Radicalisation can occur quickly or over a long period.

Staff will be alert to changes in pupils' behaviour.

The government website [Educate Against Hate](#) and charity [NSPCC](#) say that signs that a pupil is being radicalised can include:

- Refusal to engage with, or becoming abusive to, peers who are different from themselves
- Becoming susceptible to conspiracy theories and feelings of persecution
- Changes in friendship groups and appearance
- Rejecting activities they used to enjoy
- Converting to a new religion
- Isolating themselves from family and friends
- Talking as if from a scripted speech
- An unwillingness or inability to discuss their views
- A sudden disrespectful attitude towards others
- Increased levels of anger
- Increased secretiveness, especially around internet use
- Expressions of sympathy for extremist ideologies and groups, or justification of their actions
- Accessing extremist material online, including on Facebook or Twitter
- Possessing extremist literature
- Being in contact with extremist recruiters and joining, or seeking to join, extremist organisations

Children who are at risk of radicalisation may have low self-esteem, or be victims of bullying or discrimination. It is important to note that these signs can also be part of normal teenage behaviour – staff should have confidence in their instincts and seek advice if something feels wrong.

If staff are concerned about a pupil, they will follow our procedures set out in section 7.5 of this policy, including discussing their concerns with the DSL.

Staff should **always** take action if they are worried.

Checking the identity and suitability of visitors

All visitors will be required to verify their identity to the satisfaction of staff and to leave their belongings, including their mobile phone(s), in a safe place during their visit.

If the visitor is unknown to the setting, we will check their credentials and reason for visiting before allowing them to enter the setting. Visitors should be ready to produce identification.

Visitors are expected to sign the visitors' book and wear a visitor's badge.

All visitors to our setting, including visiting speakers, will be accompanied by a member of staff at all times. We will not invite into the school any speaker who is known to disseminate extremist views, and will carry out appropriate checks to ensure that any individual or organisation using school facilities is not seeking to disseminate extremist views or radicalise pupils or staff.

Non-collection of children

If a child is not collected at the end of the session/day, we will:

- Contact the parents of the child

- If contact with the parents cannot be achieved, contact the other named contacts given by the parents
- If no contact with parents or named contacts can be achieved, contact Access and Referral on 0300 300 8585
- Whilst waiting for collection, the child will wait in the reception area, unless being collected 15 minutes after the end of the school day, whereby the child will be placed in FunZone (after school club) and the parent charged for the session
- Collection of later than 15 minutes that was not pre-arranged will be recorded in the safeguarding file

Missing pupils

Our procedures are designed to ensure that a missing child is found and returned to effective supervision as soon as possible. If a child goes missing, we will:

- Follow the Central Bedfordshire procedures for reporting a child missing from education using the information and guidance in the link below:

<http://www.centralbedfordshire.gov.uk/schools-portal/administration/inclusion/missing-education.aspx>

Online Safety

As a staff we will be aware of Teaching Online Safety in School 2019 and ensure our annual ESafety teaching programme covers all aspects of this document.

Voyeurism (Offences) Act 2019

Up skirting is now a criminal offence. All staff are aware of this and will report any incidents of up skirting that may occur to the DSL or report them directly to the police in the absence of the DSL.
